3. Adjournment

309 Lewis Avenue South; P.O. Box 279, Watertown, MN 55388

To: Honorable Mayor & City Council
From: Lynn Tschudi, Administrative Services Director
Date: November 23, 2021
Re: Levy & Budget update, Enterprise Budget, CIP

GENERAL FUND

At the September 28 City Council meeting, Council approved a preliminary 2022 tax levy of \$2,447,000. This was a 6.30% levy increase from 2021. The total tax capacity for the City of Watertown increased by over 8% from 2021 to \$4,164,594. About 3% of this is from new home construction and the other 5% is growth from the existing homes.

Since September, staff has received final health insurance rates and made additional adjustments to wages based on the market study adjustments approved November 9. The fire operating budget was decreased by \$9,000 in their station staffing model as this will not start until July of 2022. Staff has kept the public works full-time hire as a January 1 start date. An additional \$17,000 remains in transfers for the park capital fund for increased costs at the Wildflower Park Playground.

The proposed 2022 final levy amount *before* fiscal disparities is now \$2,426,000. The debt levy remains the same as preliminary \$331,880. These adjustments bring the levy increase to 5.49% for 2022 and the final tax rate to 53.32%.

The impact to the average valued home is a \$25 increase from 2021 or 2%.

ENTERPRISE FUND

There have been no changes to the Water, Sewer, or Storm Water budgets since the October 26 work session. Staff will be working diligently to determine accurate utility rates for the future to support the upcoming WWTF expansion and water tower.

The average utility bill is currently planned to increase by 2.75% for 2021 according to the 2017 utility and debt study. For a residential bill using 5,000 gallons, this charge would go from \$84.04 to \$86.35 per month.

EDA FUND

The Economic Development Authority is planning to use the remaining \$158,000 of DEED funds for the Small Cities Development Grant that was received in 2019. This grant is administered by the Carver County CDA and funds pass through the City. The preliminary levy was set at \$68,500.

The EDA is planning for a 2022 developer day. Funds are budgeted for utility trunk support and other EDA programs such as Watertown for Life!

CIP

Capital Improvement Fund

Per council direction at the October 12 work session, staff has moved the following projects back one year to 2023:

- PS Asphalt, Tree Chipper, Bucket Truck, portion of City Parking Lots Mill & Overlay

The ending balance in the CIP for 2022 is now estimated to be \$177,229. It is too early to estimate the ending unallocated fund balance for the General Fund for 2021 and any additional transfers that could be made to CIP to increase this balance.

Fire Capital Fund

The Fire Advisory Board approved the Fire Capital Fund at their November 15 meeting. Planned capital improvements for 2022 include: the ladder truck, an additional response SUV, cascade system and air compressor. Ending balance in the fire capital should be adequate for these purchases.

Parks Capital Fund

With direction from council, staff removed the Luce Line Trail/Angel Avenue improvements. The Forest Hills 9th Addition Park Improvement was moved to the year 2024 and will remain green space and marked as such until those improvements. The Mullen Property Acquisition was added for \$40,000 to align with wording in the Legacy Grant Application.
