

Watertown City CouncilApril 12th, 2022**Agenda Item: Surplus Equipment - 3 sets of Bleachers****Request for Action: Adopting Resolution# 2022-28, Deeming 3 sets of 15' x 4 row bleachers as surplus equipment****Employee/Dept.: Mike Dressel, Public Services****Background:**

In 2019 these bleachers were slightly damaged by the hailstorm that came through the area. The bleachers have since been replaced. We currently do not have any need for these bleachers at any of our parks. With the expansion of the WWTF we are losing the area that these have been stored at. Making this a good time to sell them.

Staff recommends selling them on GovDeals.com. The city has had positive results selling surplus equipment through GovDeals.com. Staff is anticipating a selling price of \$300.00 - \$500.00 per bleacher.
