

Watertown City Council & Watertown-Mayer School Board

May 10, 2022

Agenda Item:	Carver County Patrol Weekday Officing
Request for Action:	Direction on Patrol Office Schedule and Location
Employee/Dept.:	Jake Foster, City Administrator

Background:

Given incidents that have taken place at the Watertown-Mayer High School and Middle School throughout the 2021-2022 school, there has been a desire throughout the community for a more regular police presence at these schools. A potentially effective and inexpensive way to create a more regular police presence at the High School and Middle School would be to have on-shift deputies office from one of these schools a day or two each week.

Staff is looking for direction from the Council and Board as to whether they support this type of schedule/location change, if there would be any additional parameters to be included, or if more information/analysis is needed.
