

Watertown City Council & Watertown-Mayer School Board

May 10, 2022

Agenda Item: City of Watertown Growth Outlook**Request for Action:** Discussion on Kindergarten Enrollments and Future Growth of City**Employee/Dept.:** Jake Foster, City Administrator**Background:**

Superintendent Schuler has brought it to the attention of City Administrator Foster that Kindergarten enrollment numbers have been declining for the Watertown-Mayer school district in recent years. Considering this concern, Foster will provide a general update regarding the outlook of the City of Watertown's growth including residential developments in process, residential developments positioned well for development, and the current state of some commercial developments.
