

Watertown City Council

January 24, 2023

Agenda Item: PTO for Hourly Snow Removal Workers**Request for Action:** Approve addition of 8 hours of PTO for hourly City staff impacted by January 3-6 winter storm**Employee/Dept.:** Jake Foster, City Administrator**Background:**

Due to the City's observed New Year holiday falling on the same week of the significant winter storm that impacted much of Minnesota, the six (6) hourly employees who were plowing snow were unable to fully realize the benefits that are typically associated with working the length of shift they worked from January 3rd to January 6th.

To recognize their efforts and appropriately compensate these employees, staff is recommending that eight (8) hours of PTO be added to banks of the following employees: Mike Lehrs, Will Myers, Robert Hoen, Ned Schroder, Logan Pysick, and Jason Raser.

Budget Impact:
