"Extending Christ's Love To You"

March 2, 2023

City of Watertown
309 Lewis Ave South
Watertown, MN 55388

Dear City of Watertown,

We are requesting a grant for National Night Out. This year's 2023 event is Tuesday, August 1st.

Last year, 2022, we had over 400 people in attendance. It was over 100 degrees is why we thought the number was lower than in the past. We had the Fire Department, Police Department, and EMT Ambulance Service. We also had the Carver County Dairy Princesses giving out glasses of milk and many more events for the kids. We are planning on these same participants and activities for 2023.

We would like to request \$1,500.00 which will go towards the purchase of the food, a tent, and more tables for social distancing. We are very grateful for your participation in this way.

We do not have pictures of last year's event because the person assigned to take pictures had gotten Covid and was not able to attend.

May God continue to bless you.

Steven Neddermeyer
